To,

R. Vijayendra Row Esqre
Chief Secretary
to the Dewan of Mysore.

My dear Sir,

I have been going over the papers regarding the Inam Coffee lands of the Kalea Temple referred to in your D. O of the 28th Ultimo.

There is now no question whether any of the Inams are valid or not. This and the manner of dealing with them has been settled in the Printed Proceedings dated 25th April 1884, and 17th June 1884.

683-4

In Proceedings of Government No 2282-4 dated 11th January 1888, the Offg. Dewan remarks in the last para that there "seems to be no necessity for the lands being given back to the Temple. All that need be done is to pay over to the Temple the rents from time to time collected by Government and placed to its credit."

This is correct, but the idea that it

was decided to give the "lands" back
once I imagine from the words used in
the Office No. 668 dated 18th March 1886
viz. "But for the reasons assigned
in the Statement, the Coffee lands
must now be given back to the temple,
and the tax on them which has been
credited to Government will have
to be refunded."

There was no intention to give
back the actual lands, and the true
meaning will be found in the last
para of this Office No. 403 dated 4th
February 1888 which is as follows.

"In accordance with the directions
contained in Proceedings No. 1697/81 dated
17th June 1884, the rents are collected
by Government on account of
the temple. The Coffee lands referred to
in this Office No. 668 dated 18th March/86,
require to be entered as Inam in
the accounts, the rents collected
from time to time being credited

to the temple funds; and the tax on them which has been created to Government will have to be re-funded as already proposed."

The concluding words indicate the only point now requiring the orders of Government, and these orders were applied for in this office No 668 dated 18th March 1886

Yours Sincerely

My dear Mr. Meiklejohn.

Please read your No. 403 of 4th February 1888 & past correspondence: the only point for decision appears to me whether the Coffee Lands should be given to the Temple or that the Govt should collect the Revenue or Rent & pay it to the Temple: Is it not so? Do you think the Temple people would object to the Cattes arrangement? they

My dear Mr Meiklejohn.

Please read your No 403 of 4th February 1888 & past Correspondence: the only point for decision appears to me whether the Coffee Lands should be given to the Temple or that the Govt should collect the Revenue or Rent & pay it to the Temple: Is it not so? Do you think the temple people would object to the latter arrangement? they

My dear Mr. Superintendent Rees

With reference to your letter of the 23rd ult. all that has to be done is to change the office hours referred to, in the accounts from 10 to 1 and 2 to 4 and to the Temple the amount of Fees paid in there as the office settlement. The Temple authorities have no objection

we call it thus. The Father
collects the income of all
his lands of this kingdom
and then pays it to
his temporal account.
Then is really no
other point in this part

My dear Sir

I have been trying over the papers respecting the Ute lands of the Kalispel tribe, referred to in your D. O. of the 28th ult.

There is now no question but the Indians are entitled to it. This and the manner of dealing with them

Has been settled in Proceedings
No. 683-4/6 of 25th Oct 84 and
1697/87 of 17th June 87 —

In Bro. of Cont. No. 22802-4
of 11th Jan. 1888, the Officer Remarks in the last para, that
Mem "turns of the measuring
Chains being given back at the
Temple. All that need be done
is to buy one at the Temple & then
for time their correctness by

Int. and place to his credit".

This is correct, but I did not intend that it was for me to send back, more than I received from the Indians and in this Min. No. 668 of 18 March 86 Dep. "But, I thought that in the statement they (Coffee lands) must come back to the Treasury, and the tax on them which has been credited to Int. will have to be refunded".

There was no intention of

Give back to actual lands,
and to true meaning will be
found in the last para of this
Min No. 403 dt. 4th July 1888
which is as follows -

"In accordance with the direction
contained in Min. No. 1697/87 dt. 17th June &
the lands are collected & kept on
account of the trust. The area
lands referred to in this Min
No. 668 dt. 18 March 86, upon &
the culture is shown in the
accounts, the lands collected

the time & time being Credited
to trust funds — and to those
in them which has been
credited H.M. We have the
refunded as already
"proved".

In concluding I would
indicate to my friends how
inquiring to news of Govt., and
then news were effected for
in this Nov. 1868 to 18 March 86.

I am sorry this explanation

I was not been sent of from
earlier, but I hope this
will not be too late —

Yours very truly
